REMARKS

Claims 1-15 are pending. The applicants respectfully request examination of this application in view of the above amendments and the following remarks.

The office action of 23 June 2008 required an election between Group I of claims 1-11 and Group II of claims 12-15. In response, the applicants elect Group I of claims 1-11 with traverse.

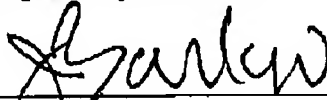

The restriction requirement is traversed because claims 12-15 are dependent on claim 1, directly or indirectly and are part of the same group. The dependency of claims 12-15 has been clarified by the amendments above. Therefore, the applicants respectfully request examination of all pending claims 1-15.

Further, minor changes have been made to claims 2 and 4 for clarification.

In view of the foregoing, the applicants submit that this application is in condition for examination. If questions arise, the examiner is invited to contact the undersigned by telephone.

If there are any problems with the payment of fees, please charge any underpayments and credit any overpayments to Deposit Account No. 50-1147.

Respectfully submitted,

James E. Barlow
